Official Thrively Assessment Profile

You Are Analytical With Particular Growth Potential Around Your Ability To Think Creatively And Ability To Focus

TOP STRENGTHS: [Analytical](#) [Creative Thinking](#) [Focus](#) [Memory](#) [Academic](#)

You have a gift of being able to focus on details and create solutions in a step-by-step manner. You consider the variables at play and are a natural problem-solver. You rely on your ability to quickly understand systems and bring your existing knowledge to bear to make decisions and break the pieces of a puzzle apart one by one, carefully analyzing each. You are a rational thinker with a powerful mind.

You are a creative mind, and if there is a problem to be solved, you have good ideas and the ability to find good, workable solutions. You have the ability to see the big picture and to consider novel options in any situation, and this ability will serve you very well!
